## SPORTS HISTORY--class of '48

Very seldom has one class been so fortunate as to have such a group of athletes as the class of '48. Almost every boy earned at least one letter, if not more, during his high school career. About every four or five years a class turns up with a group that are all athletes in one way or another. The class of '48 was one of those classes. Each excelled in some sport. Cooperation, sportsmanship and teamwork were a part of every member. In years to come the fellows will look back on their athletic careers at Algonac High School as one of the happiest times of their lives. During four years of high school, there were more letters awarded to the athletes of the class of '48 than to any other class in the history of Algonac High School.

Members of the class of '48 who were letter winners:

Charles Clark  
Frank Day  
Harold DeBoyer  
Charles Gonyaw

# Class Will

We, the Senior Class of Algonac High School, in the year of our graduation, nineteen hundred and forty-eight, being of sound mind and body, and in the presence of reliable witnesses, do leave and bequeath our most prized possessions to our beloved high school, our beloved teacher, and the undergraduates.

May we ever be remembered as almost the largest (if not the smartest) class that has ever thundered through the halls of Algonac High School.

It must be known here that we write the following under no pressure (or regret) whatsoever.

### THE ALGONQUIN (Student Weekly Newspaper)

Algonac High School has sponsored a paper (although rather spasmodically, we confess) for several years. According to our records, the first issue appeared in the spring of 1929. This project was an activity of the class of 1931, but the number of issues is debatable. The history of the paper until 1939 is nebulous. There are faint recollections of a group of school-spirited students (among them Don Clark) producing a bi-weekly edition.

Then through the haze appears the face of Marjorie Van Volkenburgh, whose service as editor, I believe, embraced the year of 1942-43. Following Margie's term came that of Betty Jane Yahn and Craig Wilson. That was the year of our never-to-be forgotten printed editions. Craig worked at a printing establishment in New Baltimore and labored far into the

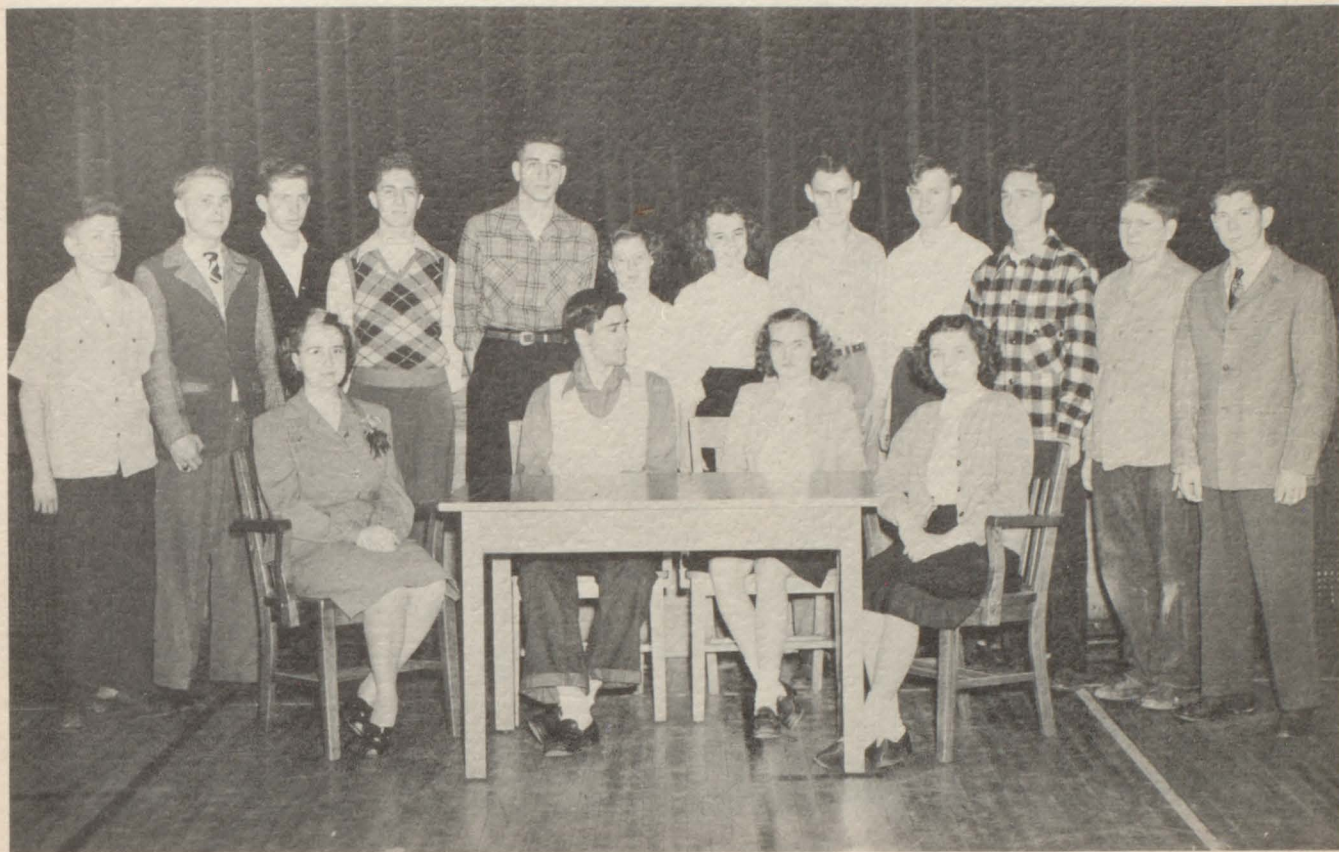

night to produce the printed page. But with the termination of Mr. Wilson's position at the newspaper office came the end of our "elegance". We reverted to the mimeograph. What a headache! We just had to have a new machine! Through the kindness of the Board of Education and the efforts of our staff we achieved our ambition. Production became easier. We were a growing concern.

The editors for the ensuing years have included Lee Edwards, Joan Evans, Billie Mae Street, and Carol Messenger. This year Elaine Edwards and Harry Wilde hold this responsible position.

We are proud of our efforts and happy to report that two of our workers; Marjorie Van Volkenburgh and Craig Wilson attained high honors in college journalism. Margie was editor of the Albion Pleiad and Craig is working at present on the staff of the Michigan Daily at the University of Michigan. All hail, Algonquin!

# Student Council

*Left to right, first row:* Miss Jablinski-advisor, Willie Stephenson-president-elect, Herry Williams-president, Delphine Rzeppa-treasurer.

*Second row:* T. Meldrum, B. Highstreet, R. Baker, R. Molinaro, D. Overton, L. Day, S. Hemenger, W. Kersten, J. Martin, J. DeBoyer, E. Campbell, F. Day.

The Student Council is the representative group of the student body from the eighth through the twelfth grades for student government purposes. Under the new constitution which was written and passed this year, the council is now composed of sixteen members, a larger group than we have ever had before in our school council.

This year this group planned the all-high dances, made purchases for the betterment of the school such as the balcony curtain in the gym. All pep meetings and sponsorship of games were assigned to classes by the council. The monitor system was planned and organized and is an important group working for the good of the student body and school.

The Algonac Chapter of the National Honor Society was organized in 1940. Membership is based upon four qualities: scholarship, character, leadership, and service. Since its inception, the organization has taken in a total of eighty members, and the active group this year consists of twenty members. The officers for the first semester were president, Marlene Rzeppa; vice-president, Ellen Martin; recording secretary, Mary Ann Smith; corresponding secretary, Gerry Williams; treasurer, Lois Colling.

The two main events looked forward to each year are the induction ceremony in the fall when new members are tapped, and the banquet in the spring which serves as a reunion for all members.

The group has participated in many projects, but the main one is the sponsoring of a loan fund, which now contains over \$300. This fund is to aid deserving students who need help to pursue higher education.

## SENIOR Y-TEENS

The Senior Y-Teens, a branch of the Young Women's Christian Association, have a three-fold program embracing Religion, Democracy, and World Brotherhood. We sponsor many worthy projects--food and clothing to needy families, boxes to veterans' hospitals, and aid to Europe. Individual growth is stimulated through discussions on etiquette, personal grooming, and, above all, character development. Each month we enjoy a social meeting in the home of one of the members.

Officers for the year are Joan Raymond, president; Joan Montney, vice-president;

Joan Smith, secretary; Marlene Rzeppa, treasurer; and Mary Ann Smith, program chairman. Our adult advisors are Mrs. True-man Pippel, Mrs. Roy T. Gilbert, and Miss Allene Stewart.

## JUNIOR Y-TEENS

As we go to press, Junior Y-Teens is in the formative stage. Under the guidance of adult leaders Mrs. George Johnson and Mrs. Jack Greenstein and student advisors Yvonne Farver, Virginia Highstreet, and Joan Montney, the group promises to be one of our most active organizations. Officers are Allene Highstreet, president; Barbara Stark, vice-president; Donna Mae Mensen, secretary; and Elizabeth Avers, treasurer.

The Algonac Hi-Y Club was organized in 1946 under the sponsorship of the local Rotary and Lions Clubs. Prior to the opening of school that fall, the two clubs sent Robert Lee and Wilford Stephenson to Hayo-Went-Ha, Hi-Y training camp on beautiful Torch Lake in Northern Michigan. With the help which these two boys received at the camp, the Hi-Y Club, consisting of nine members, was officially initiated. Mr. Johnson was appointed faculty advisor.

Now in its second year, the club has grown to a membership of 20. The boys worked hard to raise money for the new backstop on the Athletic Field. This year Mr. Greenstein became co-advisor. To give a clearer picture of club activities, the purpose upon which the club is founded is given below:

"To create, maintain and extend throughout the school and community high standards of Christian character."

DRUM MAJOR AND MAJORETTES

*Left to right: Cay Cartwright, Marilyn Densmore, Richard Baker, Ruth Krebs, Gerry Williams, Shirley Dahl, Nancy Murphy.*

Our group this year is composed of eight majorettes and one drum major. The majorettes made their own uniforms last year, which were maize and blue. The band hopes it will be able to dress them in new uniforms next spring. Our drum major, Richard Baker, and lead majorette, Gerry Williams, will graduate in June, this will leave seven majorettes in the group, five of which are in the above picture.

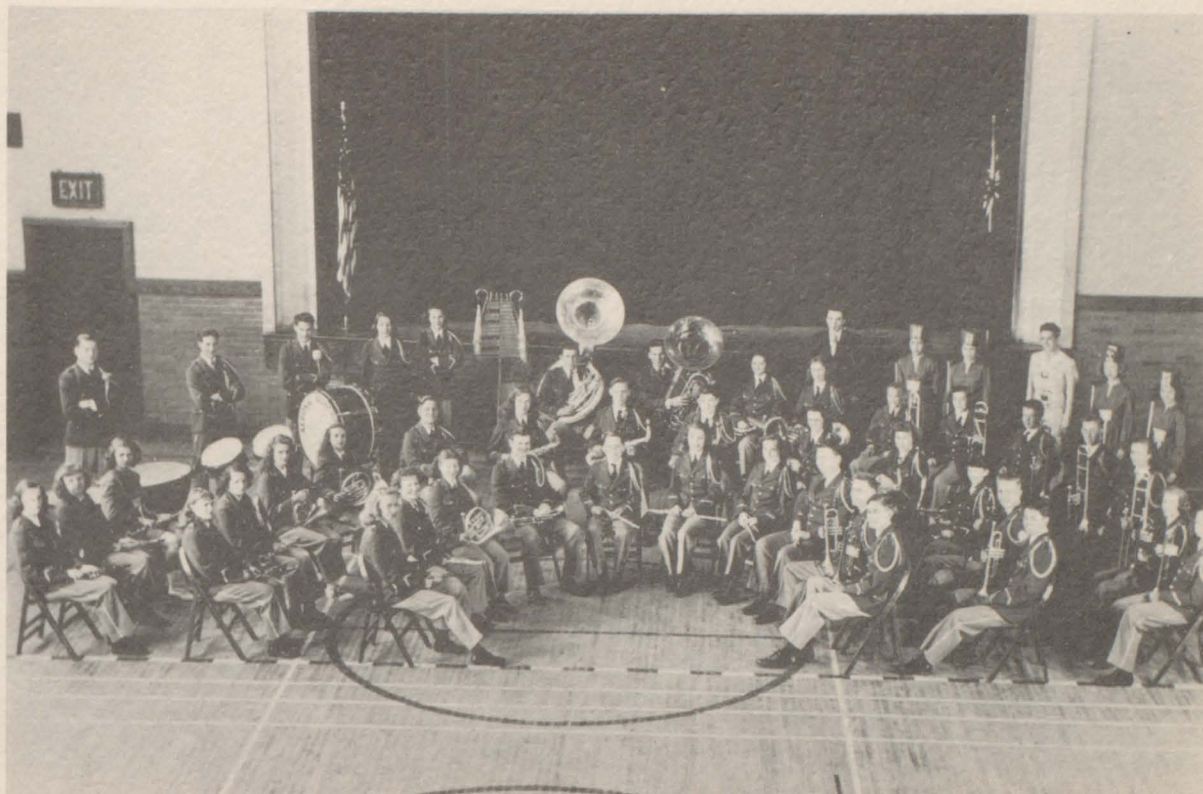

The majorettes have twirled with the marching band in town parades and with the band at Briggs Stadium during the Detroit Lions football season.

The band has participated in many activities. They have performed at Briggs Stadium, marched in the Chirstman Parade in Port Huron, and played for the Algonac Football Games.

Annually they put on a gala dance in the winter to raise funds for uniforms and instruments. The proceeds from the 1948 Band Hop helped to buy a recording machine which will be of great help to all the classes as well as to the band. Over one hundred dollars was made this year from that dance.

Each spring, the band presents a concert to the community to show their accomplishments.

The band officers are as follows: Richard Baker, president; Carol Kuhn, vice president; Dorothy Krebs, secretary-treasurer; Lydia Day, Joyce Haggberg, librarians.

# Championship Football Team

The football season of 1947 will long be remembered by Algonac High as the year Algonac won the County Championship. Statistically, Algonac had the best high school team in the State. Algonac played eight games, and was undefeated in all but one game. The coaching and teamwork were something to be seen by all. Our hats are off to you fellows for a job well done. All the players were honored at the annual Football Bust and the letter winners were presented with small gold footballs.

## Basketball

Algonac High got off to a slow start, but picked up power as the season grew. Some of the best games in the county were played on the Muskrats home court. Coach Greenstein develops his players during the season, with a watchful eye on the Tournaments. The games were more enjoyable this year because of the new electrical scoreboard which was given by the 1947 graduating class.

### RESERVES

(Storm Troopers)

The reserves this year were an outstanding group of ball players. The "scrubs" are the future Varsity teams, and here they are given the beginning of high school basketball. In almost every game the reserves completely beat their rivals by a large score. Coach Pippel gets all the cooperation he needs for a winning team. The "scrubs" are very quick and in a game you can expect anything.
